## Commercial Offer – Energy Efficient Lights Public Lighting Excluded Services (OMR) Charges

The T5 2\*24 W, and compact fluorescent 32 W and 42 W (CF) light types do not currently have an AER approved OMR charge. Accordingly, Jemena Electricity Network agrees to allow the installation of these light types on the JEN network subject to a public lighting customer entering into a commercial contract. Commercial OMR charges will apply until such time as an AER approved OMR charges is issued.
