1. Purpose

The purpose of this document is to provide the service and access information required under Rule 112D(2)(c) for the gas distribution network (**Network**) owned by Jemena Gas Networks (NSW) Limited (**JGN**), being:

a schematic map of the pipeline that shows the location on the pipeline of the points referred to in [Rule 112D(2)(b)] and the geographic limits of the area served by the pipeline.

The points referred to in Rule 112D(2)(b) are all points on the Network where JGN takes delivery of natural gas.

Note: additional detail on the geographic coverage of the Network can be found in the current Access Arrangement for the Network, available on our website at <https://jemena.com.au/documents/gas/jgn-access-arrangement-2020-2025.aspx>.
